Aruba Artistic Swimming Trials Testing Criteria

Official Trials process and selection
criteria for the 2024-2025 Season

Aruba Artistic Swimming

CRITERIA

The Aruba Artistic Swimming Trial Procedure establishes the benchmarks and standards for a trials selection process. In consultation with the coaching staff, the technical committee experts within the support team (i.e., judges, coaches and/or Integrated Support Team consultants) will run land and water tests.

NOTABLE NOTES

All athletes participating in the National Team Trials Testing will be ranked based on the criteria outlined herein.

Athletes Eligibility

The requirements for eligibility in this season testing will be as follows:

1. Athletes that in 2025 will be categories:
 - a. 12 & Under (Who have completed a minimum of Star 6)
 - b. Youth (Born 2012-2010)
 - c. Junior (Born 2010-2006)
 - d. Senior (2010 +)

Ranking Criteria

5% - Aerobic Power – Timed Swim

15% - In water Sport-Specific Testing

5% - Athletic Ability Testing

25 % - TRE's / Figures Testing (Judged component)

25 % - Routine Testing (Judged component)

10% - Attendance

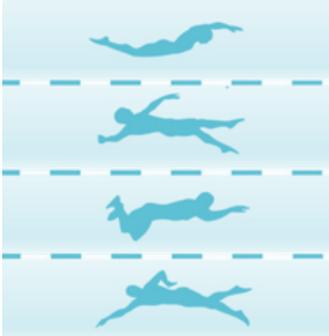

10% - Attitude and Performance Assessment

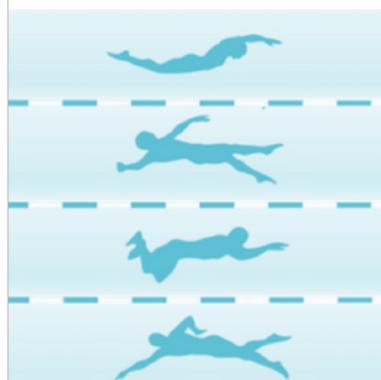

5% - Body Composition (SEMEDAR)

Additional testing related to Athleticism (See below) will be conducted as part of Aruba Artistic Swimming ongoing monitoring and tracking of high performance athletes in alignment with the national team program and our Targeted Athlete Program.

Criterios de Evaluación/Evaluation Criteria

<https://youtu.be/lxWn92Hb8oc>

Step 1: In a straight sitting position against a wall,  measure in centimeters the distance from the chin to the floor.
 Step 2: In a prone lying position with the hands clasped behind the glutes, lift upper body off the floor as much as possible. Measure from the center of the collar bone to the floor.
 Step 3: Divide back arch measurement (step 2) by the sitting height figure to work out the percentage.

V-Ups Test

Descripción/Description

<https://youtu.be/7UVgs18Y1P4>

1) Lie on your back and extend your arms behind your head, touching the floor with your hands. Keep your feet together and your toes pointed. 2) Keep your legs straight and lift them up while simultaneously lifting your upper body off the floor by touching your feet with your hands. Lower yourself back down to the starting position, touch the floor with your hands and repeat. The sound of your hands hitting the floor counts as one repetition.

1) Acuéstese boca arriba y extienda los brazos detrás de la cabeza tocando el suelo con las manos. Mantenga los pies juntos y los dedos de los pies en punta. 2) Mantenga las piernas rectas y levántelas mientras simultáneamente levanta la parte superior del cuerpo del piso tocando sus pies con las manos. Vuelve a bajar a la posición inicial, toca el suelo con las manos y repite. El sonido de las manos golpeando el suelo cuenta como una repetición.

Push-Up Test

Descripción/Description

Criterios de Evaluación/Evaluation Criteria

Comience en la posición de lagartija: con las manos y los dedos de los pies tocando el suelo, el cuerpo y las piernas en línea recta, los pies ligeramente separados, los brazos separados al ancho de los hombros, extendidos y en ángulo recto con el cuerpo. Manteniendo la espalda y las rodillas rectas, el sujeto baja el cuerpo hasta formar un ángulo de 90 grados en los codos, con la parte superior de los brazos paralelos al suelo. Un compañero sostiene su mano en un puño en el suelo debajo del esternón para que el sujeto que está siendo evaluado baje solo hasta que su pecho toque la mano del compañero y luego vuelva a subir.

Start in the push-up position - with the hands and toes touching the floor, the body and legs are in a straight line, feet slightly apart, the arms at shoulder width apart, extended and at a right angle to the body. Keeping the back and knees straight, the subject lowers the body until there is a 90-degree angle at the elbows, with the upper arms parallel to the floor. A partner holds their hand in a fist on the ground under the sternum so that the subject being tested goes down only until their chest touches the partner's hand, then back up.
